

Just \$6 a Month Keeps a Local Child Clean, Confident, and Cared For

Small monthly gifts help keep basic care within reach for local children.

Polk County children live in poverty.

For some families, limited resources mean everyday care essentials can become one more difficult expense.

THE HIDDEN STRUGGLE

A child may come to school without deodorant.

A student may unexpectedly need period products.

A family may be stretching shampoo, soap, or toothpaste until payday.

A child may need clean basic-care items without wanting classmates to know.

Children shouldn't have to explain their family's circumstances to have their basic needs met. That's where Care Locker comes in.

A SMALL ITEM CAN MAKE A BIG DIFFERENCE

ACCESS

Needed care items are already available where children spend the day.
